

Parents,

The Rawson-Saunders Academic Language Therapists (ALTs) are very excited about the new school year, and we're working hard to determine the very best ALT placement for your child. This means that initially students are assigned to groups and ALTs that may not be their permanent placement. We will be assessing and observing students in these settings, and, inevitably, some changes will be made in these first few weeks. Although it is always our goal to move students as little as possible, considerations such as skill sets of new and returning students, ongoing and completed programs, summer interventions, and therapists' and teachers' schedules are variables that make scheduling ALT sections a complex task. Fortunately, based in part on having our own training center, we have the best ALTs to be found anywhere right here at Rawson-Saunders. Thank you in advance for your patience as we fine-tune your child's schedule.
